CriticalCare 1.0 危疾安心保1.0

Staying fit and healthy is a crucial part of having a good standard of living. Whilst medical advancement has helped many people survive several critical illnesses, misfortunes still happen. It is fundamental that we are on guard to ensure that the financial impact is minimal on survivors and their loved ones. That's why we have developed CriticalCare 1.0 – comprehensive protection against critical or even fatal illnesses.

# Plan highlights

- Receive a lump sum of cash payment of up to HK\$250,000 if you are first diagnosed with any
  one of the critical illnesses listed below. The lump sum cash payment is fully payable
  regardless of any other existing medical insurance policies you may have. This is to support
  you with your daily living and medical expenses.
- Comprehensive Coverage against a wide range of illnesses
  - ► The Standard Plan covers 8 critical illnesses
  - ► The Comprehensive Plan covers an additional 20 critical illnesses on top of the Standard Plan

## Scenario 1

Mr. Wu was playing badminton with his friends one day when he collapsed onto the floor. He was rushed to the hospital, and it was revealed that he suffered from a stroke resulting from a blood clot on the right side of his brain. Unfortunately, his stroke led to paralysis on the left side of his body meaning he struggled to walk.

How does CriticalCare 1.0 cover Mr. Wu?

Comprehensive plan III: HK\$250,000

# Scenario 2

Mr. and Mrs. Wu were out for dinner one night to celebrate their 20-year anniversary. Amy and Curtis were watching TV at home when Curtis saw smoke coming through the front door; their neighbor's kitchen had unfortunately set on fire. Whilst Curtis managed to escape with only a few burns, Amy struggled to escape and had to be rushed to the hospital as she had severe third-degree burns covering her legs from this accident.

How does CriticalCare 1.0 cover Amy Wu?

Comprehensive plan I: HK\$100,000

## Scenario 3

Mrs. Wu has been getting many painful headaches recently. One day, Mrs. Wu notices that she has developed a lump on her breast. She immediately books an appointment with a doctor. Her doctor confirms that Mrs. Wu has developed breast cancer.

How does CriticalCare 1.0 cover Mrs. Wu?

Comprehensive Plan II: HK\$150,000
