Landlord PROTECTOR

Protect your property assets and your rental income with this innovative insurance plan designed exclusively for Landlords.

A new plan that protects Landlords' property assets and rental income.

As a Landlord you want to safeguard your rental income and make sure that your property remains in good condition so as to maximise its rental value. Your flat is more than a shelter, it is a key investment asset and part of your financial future. That's why MSIG Insurance (Hong Kong) Limited ("MSIG") is introducing '**Landlord Protector**' - a simple and direct insurance plan that has been designed with your specific needs in mind.

As you would expect, '**Landlord Protector**' insures your leased property against loss or damage caused by common risks such as typhoons, fire, water leakage, burglary etc. Most home insurance plans in the market do this although they are focused on owner-occupiers.

But we always try to exceed your expectations and that's why Landlord Protector offers extra benefits that address your additional concerns as a Landlord.

These include:

Additional Protection for loss of rent

All Landlords want to maximise their rental income. But sometimes things may happen that are beyond your control, and which may interrupt your income stream. With Landlord Protector we will protect you from such unexpected loss of rental income if:

- Your tenant intentionally fails to pay the rent*
- Your flat becomes uninhabitable due to accidental damage (e.g. because of a fire), or if access to the flat is prevented by damage to other properties in the vicinity*
- Your tenant passes away as a result of murder or suicide*

HK\$200,000 coverage for your belongings

Sometimes the tenant may accidentally damage your household appliances, furniture, fixtures and fittings, or other items provided by you in the leased property. Under the tenancy agreement, your tenant is already obliged to pay you for such loss or damage. But what if he cannot pay, or refuses to pay? Landlord Protector will make life easier for you by paying directly for loss or damage of this type*.
